Blogger | Movie Critic | UI Designer

About Me

Hi, I'm Babita! I'm passionate about sharing my daily life experiences through blogging, providing insightful movie critiques, and creating beautiful UI designs using tools like Figma and Canva. My goal is to connect with readers through authentic storytelling and creative design.

Skills

Blogging

Creating engaging and personal blog content that resonates with readers.

Movie Criticism

Providing in-depth and thoughtful movie reviews and critiques.

UI Design

Designing beautiful and functional interfaces using Figma and Canva.

Latest Blog Posts

Movie Review

A deep dive into the latest blockbuster film.

Daily Life

Sharing personal experiences and insights.

UI Design

Exploring the world of user interface design.
